THE CONSCIOUS LEADER

The accelerated pace of change in our organizations has never been greater than what we are experiencing right now. As leaders, you are confronted with a high level of uncertainty, often managing your team and “figuring it out” on the fly.

We know that transformational learning takes time. The Conscious Leader, one of our Signature Programs, is crafted to facilitate learning integration and team collaboration over time (typically six to 12 months).

Using research-based models and experiential learning, we guide you through a variety of teachings and activities that will help you deepen your self-awareness and discover your unique leadership styles to support your organization’s mission, values, and goals. You will experience growth in leadership competencies and interpersonal effectiveness.

The Conscious Leader is designed to:

- Expand self-awareness and emotional intelligence
- Build trusting partnerships to enhance team effectiveness and accelerate collaborative relationships
- Support employee engagement and retention and successful leadership advancement
- Develop leadership skills to drive business results

The Conscious Leader can be customized for your group’s needs. The program is ideal for:

- Vice Presidents and C-suite level leaders
- Emerging front line leaders
- Supervisors
- Managers
- Directors

Impact on the Organization
